It's #D9 Thursday!!

Happy D9 Thursday! This past month has been full of so many exciting milestones and programming for the National Pan Hellenic Council at UMD.

For starters, this week is our first NPHC Week (about which you can read more below). The theme of the week is "Restoring our Roots!" And the week's not over yet so be sure to check out the flyer and come out to the rest of our events to fellowship and celebrate the traditions of the Divine Nine!

In other news, Greek alumni were honored by the University at a Centennial Celebration on Fraternity Row earlier this week. Commemorative bricks for those honorable alumni and charter members will be laid in the Greek Centennial Garden. Additionally, several of your favorite Greek Orgs received awards at the 2014 DFSL Greek Awards Ceremony. Congrats to Delta Sigma Theta for winning the President's Cup & Outstanding Alumni Parent Programming, Sigma Gamma Rho for Most Improved Chapter and Chapter Advisor of the Year and Alpha Kappa Alpha for Multicultural Competency. Congratulations are also in order for Wendell Alston (Alpha Phi Alpha) and Tajah Ebram (Delta Sigma Theta) for their induction in to the Kalegethos Society.

Continue to tweet and Instagram today if you see any fellow NPHC Geeks around campus. or at an NPHC week event. #D9Thursdays #umdnpHCweek

NPHC Week, 2014

It's NPHC Week. With the NPHC's constant effort to maintain Greek Unity within the D9, we formulated the first UMD NPHC. This is a time to fellowship with one another and reflect on our commitments to the traditions and shared values of our organizations. So far the week has been a success. It started off with a replanting around the D9 plaques near Nyumuru and a rededication of the plaques to celebrate a continuing culture of Greek Unity, brotherhood and sisterhood on our campus. We also hosted our annual Alumni Panel where Greek alumni from the D9 came and spoke about their experiences on the yard in years past. Stay tuned for the rest of the week! The D9 Throwback Mixer and Block show are just around the corner. We hope you have a great D9 Thursday today!
