

Missing Person Notification

You have the option of providing a contact person to be notified in the case that you are determined to be missing after 24 hours. Only authorized campus officials and law enforcement officers may have access to this information in the course of locating you. This is for residents of University-owned chapter houses only.

Please note that even if you have not provided a contact person, local law enforcement will be notified if you are believed to be missing.

Chapter: _____

House Address: _____
